Welcome

This is first newsletter of 2010 and I wish all our Members, Parents, Supporters and Friends all the very best for the forthcoming year.

Firstly I would like to take the opportunity to thank everyone who has helped out in one way or another and has contributed to the continuing success of the club. I would also like to congratulate the 2 XI team on securing promotion and to wish them well in the 5th division this season.

We have lots of fixtures and events planned for the coming months and you can keep up to date via our club website at www.saxtoncc.co.uk. We hope that you have a good year and can find time to come and support our prospering club.

Pavilion

Over the last six month we have developed the pavilion project and stepped up our fundraising efforts. We will shortly be able to announce a major partner for the pavilion and some target dates for the project. We are always looking for your support and would appreciate any donations or volunteering of skills to realise our village pavilion. To get in touch please contactus@saxtoncc.co.uk

Junior Cricket

This year we will be running teams at U13 and U15 and U17 and have entered all three into the Wetherby League competitions. We will also have an U11 side and will play as many friendlies as we can.

Coaching responsibilities are as follows:

U13	Dave Buck	01937 557714	Friday	(pm)
U15	Nigel Gilbertson	01937 557542	Sunday	(am)
U17	Ian Cunningham	07811 930328	Monday	(pm)

Helping out with coaching responsibilities this year will be Chris Dennison, Rory Coe and Hannah Buck. All of our

coaches are CRB checked and have ECB coaching qualifications. They have also attended First Aid and Child Protection training.

The first junior training session of the season will be at the ground on Wednesday 7th April starting at 6pm.

We welcome girls and boys of all abilities to take part in our coaching sessions and to represent the club. So if your child is a beginner or an experienced cricketer and interested in playing cricket in a friendly atmosphere then please get in touch with Dave Buck (01937 557714) for further details.
